

Our friend Joe Devaney passed away March 22, 2005. In June of 2015 Bill O'Hop passed away barely a week after playing in this tournament. Both Joe and Bill had among other things, two things in common. They were each other's best friends and they both loved golf! We started this charity tournament 14 years ago to honor Joe and now do so to also honor Bill. Both were longtime Rotarians and pillars of our club and we miss them dearly.

Please help us pay tribute to our dear friends by participating in this tournament and helping us to support our local and international charities.
